Liberty Common School Summer Academic Camp

Dear Liberty Common parents,

Participating in a LCS summer academic camp is a great choice for LCS elementary students who need some extra academic support in reading and/or math over the summer months. All grade levels indicated are for the 2019-2020 school year.

Summer courses are operated and organized by the individual faculty members indicated throughout this guide. All questions and concerns regarding course content, logistics, and attendance should be sent to the faculty member directly. Questions or concerns regarding registration and payment should be sent to Sandy Stoltzfus, LCS Assistant Principal and Summer School Coordinator (K-12), sandys@libertycommon.org.

Be sure to register early, space is limited and seats will fill up quickly!

Summer Individual Tutoring	6

Registration

Registration and payment for all summer academic programs must be made through the school's online payment system, we are unable to accept cash or checks.

To reserve your student's seat, you must first pre-register with a non-refundable deposit of \$80.00. Two weeks before the class begins, through the first day of class, the remaining balance will be due. The remaining balance is also non-refundable. Refund Exception: If a course is not offered due to low enrollment, pre-registration deposits will be refunded. Decisions on whether a course will be offered or not will be made two-weeks before the class is scheduled to begin.

Payments must be made in two phases. In order to minimize refunds (which place an extraordinary burden on our financial operations department), we are unable to accept the remaining balance at the time of registration. In addition, payment will not be accepted after the first day of class. Students who have not paid in full by the end of the first day of class, will not be able to participate and their seat will be offered to someone on the waitlist.

A reminder will be sent to all pre-registered families two weeks before class begins to ensure all families have the opportunity to finalize their payment or inform the school if their plans have changed and they do not plan to attend.

Summer enrichment classes are in high demand and space is very limited, please register early. If your plans change once you have registered, please inform us as soon as possible in order to open the space for another eager student. This will ensure that students on the waitlist are able to take advantage of these outstanding summer academic opportunities.

Payment Process.

Phase 1: Pre-register, \$80.00 non-refundable deposit. Available beginning in March until all seats are filled.

Phase 2: Final payment, remaining balance, non-refundable. Paid two weeks prior to class through first day of class.

Each instructor has a set a minimum enrollment number for their course. Decisions on whether a course will be offered or not will be made two-weeks before the class is scheduled to begin. Pre-registration refunds will be offered for classes that are not offered due to low enrollment.

[CLICK HERE](#) or use the following url, to access the LCHS Summer Academic Opportunities registration site. <https://my.cheddarup.com/c/lcs-academic-summer-camp>. Questions regarding the registration process and payments should be directed to Mrs. Sandy Stoltzfus, LCS Elementary Assistant Principal/Summer School Coordinator (K-12), sandys@libertycommon.org

Student Health Needs

If your student has a health condition that you believe the summer teacher should be aware of, please inform the teacher directly. If emergency medication is required, please also contact the school nurse, ndybzinski@libertycommon.org.

Faculty Contact Information

Summer academic programs are managed by the program instructors. Any questions pertaining to the curriculum, attendance, schedules, policies should be directed to the course instructor.

Summer Reading CAMP Students Entering Grades 1-6

**Liberty Common Summer Reading Program:
Don't lose ground this summer in reading!**

Research at Liberty Common School has shown that a whole summer without regular reading practice can cause a HUGE drop in reading level and fluency. This program is designed for students who need extra reading support and will help them maintain the progress that they have made in reading so far. Teachers will be instructing in reading, writing, vocabulary, and grammar utilizing a variety of programs including: various short stories and/or novels, Read Naturally, Open Court, Writing with Structure and Style and various grammar resources.

- **The cost is \$200 per student***. (*which equates to only 8.00 per hour*)
- **Each session will be limited to 12 students****. (*register early for a spot in your grade level*)
- **All sessions will be held at the elementary school campus**. (*1725 Sharp Point Drive*)

Students Entering Grades 1-6

July 8th – July 25th

Monday, Tuesday, Wednesday, Thursday

10:30 AM -12:30 PM

*\$80 will be nonrefundable for any cancellations

**For this program to be viable, at least eight students need to sign up for per session.

Summer Math CAMP Students Entering Grades 1-6

**Liberty Common Summer Math Program:
Don't lose ground this summer in math!**

Research at Liberty Common School has shown that a whole summer without regular math practice can cause a HUGE drop in math testing and grades. This program is designed for students who need extra math support and will help them maintain the progress that they have made in math so far. Teachers will instruct using Singapore Math, Accelerated Math, and Math Facts in a Flash.

- **The cost is \$200 per student***. (*which equates to only \$8.00 per hour*)
- **Each session will be limited to 12 students****. (*register early for a spot in your grade level*)
- **All sessions will be held at the elementary school campus**. (*1725 Sharp Point Drive*)

Students Entering Grades 1-6

July 8th – July 25th

Monday, Tuesday, Wednesday, Thursday

8:00 AM-10:00 AM

*\$80 will be nonrefundable for any cancellations
