## Liberty Common School-Wide Dress Code

School-wide dress standards at Liberty Common School are established to create an environment of academic excellence without unnecessary distractions and to reduce social distinctions. With these dress standards, we intend to support and reinforce the themes of all aspects of Liberty Common School's character-education efforts, including the school's Foundation Stones and Capstones.

The Dress Code is in effect for all students, every day from the start of the school day until students have completed all their activities for the day. The Dress Code will be strictly enforced by all school staff members and administrators. Administrators will render final determinations regarding Dress Code.
